

## II. STUDENT MOTIVATION QUESTIONNAIRE MODULE

**TO BE ASKED FROM ONLY THOSE WHO MARKED ANSWER "1", OR "2" FOR QUESTION I.1/a.**

"The following questions are related to your higher education studies. Since it is important for us to obtain information about the specific major you are studying, if you study two majors rather than one at *the same institution*, then the following short questions will be asked from you separately for both majors. Questions related to the major marked as first and second will be precisely noted. Please refer your answer only to the (first or second) major given at the beginning of the questionnaire.

Please give the name of the major started earlier first, followed by the one started later at the same institution. If you started both majors at the same time, then the order of the majors is immaterial.

Please ignore studies attended at other institutions here."
